

God
is
Good

The Bible tells us that God is good.
He is kind and loves to bless us.

He is like a good shepherd.

He is like a good shepherd
that finds soft grass for his sheep
to lie down on, and
cool water for them to drink.

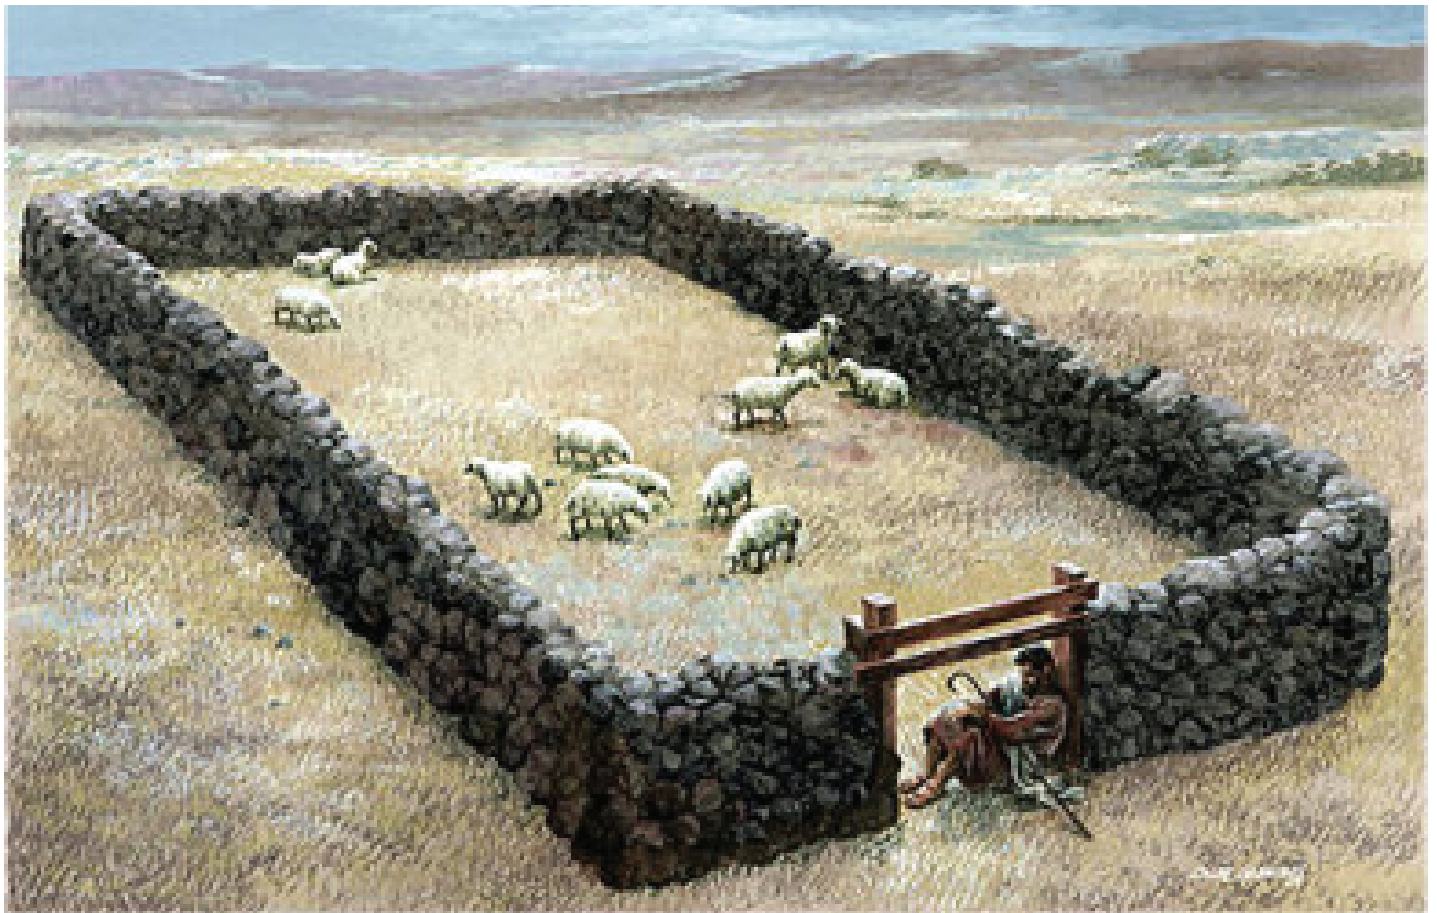

If the sheep get scared,
the good shepherd is there
to comfort them and
remind them that
he will always protect them.

He is like a good shepherd
that counts all his sheep to
make sure that they make it
to the pen each night.
Then, once all the sheep are
safely inside, he lies down at
the door of the pen to
make sure no one can get to them.

The good shepherd is
willing to die for his sheep.

God is good.
He is kind and loves to bless us.

He is like a good father.

He is like a good father that
loves his children and
loves to give them good gifts.
When the children ask for bread,
a good father doesn't give them a stone.

And when his children ask for fish,
a good father doesn't give them
a snake instead.

No, when children ask their father for food, a good father gives his children tasty food that will help them grow up strong.

A good father gives his children what they need.

He is like a good father that
forgives his children over and over.
If a child is naughty or
has disobeyed his father,
a good father is sad.

He wants his children to obey.

But if a child comes back to his father and asks for forgiveness, a good father is happy to see his child return.

A good father loves
to forgive his children

God is like a good shepherd,
and you are like his sheep.

He loves to take care of you.
He loves to comfort you,
protect you, and give you peace.

God is like a good father,
and you are like his child

He loves to give you good gifts.
He always wants what's best for
you and loves it when you come
back to him for forgiveness.

God, you are good.

You are kind and you love to bless us.

We need you to take care of us
like a shepherd takes care of a sheep.

Thank you, for being our good father.
Thank you for your blessings to us.

Help us to be good like you are good.
Help us to be kind and bless others.
